

baths

velox - basic

The Velox bath mixes practicality with sensuality. Elegant and affordable it is, by far, one of the simplest ways to introduce yourself to the pampering world of whirlpool bathing. Easy to use and maintain, Velox baths come fitted with a digital starter, level sensor and six directional jets that can be adjusted by hand. Velox is only available with hydromassage.

- Domestic use
- 6 directional jets (adjustable for volume and direction)
- Digital starter
- Level sensor
