- Easy fix installation
- Laminar flow

**Illustrated**

**B8261AA** Piccolo 21 single lever basin mixer with pop up waste, chromium plated

**Weight**

1.7kg

**Options**

**B8260AA** Piccolo 21 single lever basin mixer no pop up, chromium plated

**Special notes**

The CLICK cartridge offers water saving as slight resistance informs the user that only 50% of flow is being used. Also features a limiting device that can restrict movement of the handle on the hot side, adding a major safety feature.

Consideration should be given to safe hot water delivery and the use of an appropriate temperature reduction device
