

brassware

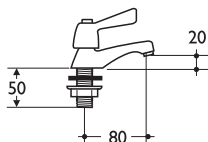

alterna quadrant

Alterna bath and washbasin fittings are designed and manufactured for heavy duty use with all brass bodies and handles.

Ease of use makes Alterna Quadrant suitable for universal access applications.

Suitable for low or high pressure systems.

- Domestic and commercial use
- Quarter turn CD operation
- Chromium plated
- Contract brassware
- Suitable for closed fist operation

**Illustrated**

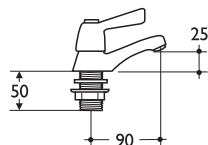

S7185AA 1/2in Alterna Quadrant, quarter turn washbasin pillar taps with ceramic discs. WRAS approved

S7188AA 3/4in Alterna Quadrant, quarter turn bath pillar taps with ceramic discs, chromium plated.

Special notes

Inlets screwed BSP male, bored and coned for copper tube. Consideration should be given to safe hot water delivery and the use of an appropriate temperature reduction device.

Particularly suitable for handicapped people due to the ease of operation. Pillar taps come supplied with brass back nuts
