

brassware

alterna quadrant

Alterna Quadrant bath and sink fittings are designed and manufactured for heavy duty use with all brass bodies and handles. Ease of use makes Alterna Quadrant suitable for universal access applications. Suitable for high low pressure systems.

- Domestic and commercial use
- Quarter turn ceramic disc operation
- Chromium plated
- Contract brassware
- Suitable for closed fist operation

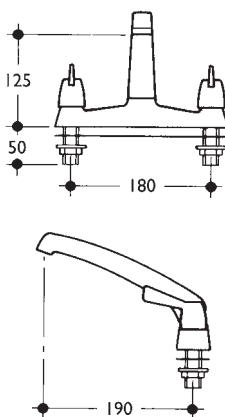

Illustrated

S7770AA 3/4in Alterna Quadrant quarter turn deck bath shower mixer fitting with ceramic discs, lever handles, shower kit with wall showering station, chromium plated.

S7935AA 1/2in Alterna Quadrant deck sink mixer with ceramic discs and lever handles, chromium plated

Special notes

Inlets screwed BSP male, bored and coned for copper tube. Consideration should be given to safe hot water delivery and the use of an appropriate temperature reduction device. Particularly suitable for handicapped people due to ease of operation.
