

CORSICA FREESTANDING ACRYLIC DOUBLE ENDED BATH **(BCOW01) - White** **(BCOB01) - Black & White**

Modern double-ended bath

- Made from double skinned sanitary grade acrylic
 - Reinforced with GRP (Glass Reinforced Plastic) which is resin-bonded glass fibre strands sprayed onto the underside of an acrylic bath. When the resin has cured it sets solid to give the bath improved strength and rigidity
 - Acrylic baths have excellent thermal properties and will retain water heat for longer than cast iron baths
 - Acrylic baths are easy to clean and maintain. Abrasive cleaners will scratch the surface of the acrylic. Ideally the surface should be cleaned regularly with warm soapy water
-

N.B Dimensions may vary due to the handmade construction of the baths.

General Specification

Litres to overflow: 190 litres

Weight: 39kg

Weight (with water): 229kg

Tap Holes: Can be drilled on request

Foot Provided

Guarantee Provided
