Chill/Qube Soft Close Toilet Seat (White)

Fitting Instructions

Please keep these instructions for future reference and request of replacement parts.

TIPS FOR CLEANING AND CARE

These WC seats are made from environmentally friendly materials. The smooth, non-porous surface is ideal for maintaining hygiene conditions. Do not use abrasive cleaning products or products containing chlorine or acids, as these may cause yellowing or peeling of the materials.

Neutral soap or mild, natural household cleaning products are the best for effective, problem-free cleaning. After cleaning, wipe the seat with a well rung out cloth. Leave the seat lid up whenever strong cleaning products are left in the bowl of the WC pan to prevent damage from the vapours.

ASSEMBLY STEPS
