

## AFTERCARE INSTRUCTIONS

Your fitting has a high quality finish and should be treated with care to preserve the visible surfaces. All surface finishes will wear if not cleaned correctly, the only safe way to clean your mixer is to wipe with a soft damp cloth. Stains can be removed using washing up liquid. All bath cleaning powders and liquids will damage the surface of your fitting - even non-scratch cleaners.

## GUARANTEE

All products are manufactured to the highest standards and a 5 year guarantee covers any defect in manufacture. As gold and special effect finishes are softer than chromium plate, special care must be taken when cleaning; a 3 year guarantee covers these finishes.

## Unslotted Clicker Basin Waste

(W BSN13 C/G/SAT/ST)

## Fitting Instructions

Please keep these instructions for future reference  
and request of replacement parts.

For latest prices and delivery to your door visit MyTub Ltd 0845 303 8383 [www.mytub.co.uk](http://www.mytub.co.uk)

## INSTALLATION

**Please note:** Before Installation, please write the name and product code of your fitting in the spaces provided overleaf. This will ensure a speedier service if you should need to phone the help line.

1. Identify all components and check for completeness.
2. Fit the waste body (1) and rubber washer (2) into the basin.
3. Use a pure Silicon sealant where necessary. Secure waste by tightening backnut (3) as shown on the diagram.
4. In order to fill the basin, the button in the middle of the waste needs to be pressed down. To release water, press button again.
5. Check all joints and connections for leaks.
6. See over the page for aftercare instructions.

## IMPORTANT

Due to the design of this waste and the type of basins it is suitable for e.g. an overflow-less glass basin, it is imperative that any water fittings are turned off before the basin is allowed to overflow.

## COMPONENTS

1. Waste body
2. Rubber washer
3. Backnut

**Please Note:** In the unlikely event you find a part missing please contact our Customer Service Help line on 0844 701 6273 or email [enquire@bristan.com](mailto:enquire@bristan.com) for immediate dispatch of part.
