Grid

Glass Chopping Board

Demi Drainer
(1.5 Bowl only)

WITH A 30MM WORKTOP
(SINK SITS PROUD)

WITH A 40MM WORKTOP
(SINK AND WORKTOP ARE FLUSH)

- » The Franke Ariane ARX754 requires the additional purchase of any accessories, whilst the Bistro comes with glass chopping board, bowl grid and demi-drainer as standard. The Ariane is also a larger overall sink committing more worktop space to a stainless steel worktop. The Bistro gives the stainless steel bespoke look for a realistic and reasonable price.

FEATURES

- » Premium 1.2mm thick stainless steel
- » Comes with a range of complementary accessories making it an ideal food preparation area
- » 620mm deep sink which is designed to complement oversized appliances and act as a centre-piece to any kitchen
- » Solid tap deck
- » All edges finished
