

QUADRATO

QUADRATO THERMOSTATIC SURFACE MOUNTED BAR SHOWER VALVE WITH ADJUSTABLE RISER AND FAST FIX CONNECTIONS CHROME

Product Specification

Product Code:	QD SHXSMFF C
Finishes:	Chrome
Product Type:	Contemporary
Construction:	Bodies are of all brass construction and are designed to conform to BS EN 200, with metal handles
Cartridge/Valve Type:	¼ turn ½" ceramic disc Thermostatic cartridge
Supply:	Suitable for all plumbing systems, preferably balanced
Inlet Connections:	15mm compression connections with 150mm centres
Outlet Connection:	G ½"
Working Pressures:	Min 0.3 bar, Max. 5.0bar
Dimensions for Fitting:	150mm (inlet centres)

Additional Information

- Chrome plated to BS EN 200
- Dual control – flow and temperature are controlled by separate handles, giving accurate control of both.
- Thermostatic cartridge maintains showering temperature to +/- 1°C by compensating for changes in the incoming water temperature and pressure giving the stable outlet temperature.
- Automatic shut off in the event of hot or cold water supply failure, thus reducing the risk of scalding.
- Factory set to a maximum of 38°C to eliminate the ability to select an unsafe temperature - this can be manually over-ridden up to 46 °C to suit user preference.
- Utilises unique fast fit system – wall mount WMNT10 C.
- Supplied with single mode rub clean handset, 1.5m shower hose, adjustable riser & hose retainer.
- Adjustable riser incorporates swivel rail for increased flexibility.

Technical Advice: For further information please call 0844 7016273 or email customercare@bristan.com.
Guarantee: 5 years covering manufacturing faults.
