

# Silicone Glazing Seal

IDEAL FOR ALL GLAZING  
AND CONSERVATORY  
APPLICATIONS

Trade Mate Silicone Glazing Sealant is a silicone rubber sealant for both internal and external glazing applications, including the bedding in of glass and sealing between glass and framework. This sealant also offers excellent unprimed adhesion and high joint movement capabilities. Totally water resistant, it will require no maintenance throughout its long service life.

#### Applications:

Bedding in of glass, sealing between glass and framework, sealing around polycarbonate sheeting.

#### Performance Benefits:

- ◆ No primer needed
- ◆ High movement capability
- ◆ Excellent adhesion to glass and polycarbonate sheeting
- ◆ Ideal for sealing conservatories and roof lights
- ◆ Long service life
- ◆ Maintenance free

Colour: Clear
