Lincoln Round Drainer

Dimensions

Codes & Pricing

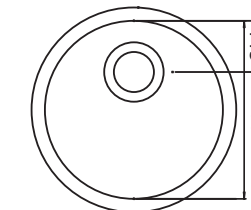

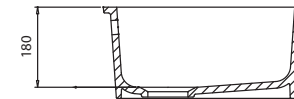

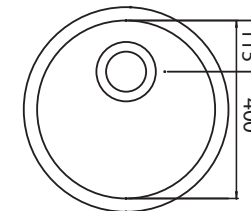

» The Lincoln range of ceramic fireclay undermounts offers versatile styling within modern kitchen environments. The range features eight dimensional options including half, main, 1.5 bowl, round bowl and round drainer – each manufactured from high quality fireclay with a traditional high gloss finish. Stunning contrast when undermounted in black granite worktops.

FEATURES

- » Superb white fireclay gloss finish
- » Ideal teamed with stainless steel taps
- » Easy to clean and maintain
