WHAT TO LOOK FOR WHEN CHOOSING A SEAT

THERMOSET PLASTIC SEATS

Zenith, Mercury, Juno, Elite, Curve, Infinity, Comet and Neutron prove that style and strength can combine. These seats are manufactured from thermoset plastic (not to be confused with cheap polypropylene), a highly durable material capable of withstanding heavy household usage. Its strength and suitability as a material for toilet seats is down to the manufacturing process. The seat is heated under high pressure and then left to set, providing an extremely hardwearing and impact-resistant surface.

Anti-bacterial protection

An environmentally friendly, built-in additive provides a hygienic finish which protects against bacteria, fungi and microbes. It works on impeding the spread of bacterial cultures on the surface of the seat and kills them at specific intervals.

SOLID WOOD SEATS

The beauty of a real, solid wood toilet seat is unbeatable. However, not all solid wood seats are the same. At Roper Rhodes, beauty is more than skin deep.

Reinforced seating

Roper Rhodes solid wood seats have seat rings which are reinforced with hidden wooden dowels for outstanding rigidity and strength.

Top timber quality

Carefully selected finest timbers from sustainable sources provide a quality of finish that we feel is unequalled in the UK.

Non slip, high strength, colour co-ordinated seat buffers

Buffers on solid wood seats are made from co-injected nylon and rubber materials (apart from Origin which has special low profile buffers). The nylon core offers excellent strength against crushing whilst the colour co-ordinated rubber outer surface prevents slipping and seat movement. This, in turn, reduces the stresses placed upon the wood.

WOOD VENEERED OR PAINTED (MDF) SEATS

This type of seat differs from solid wood in that a layer of real wood veneer, or a high quality painted finish is applied to an MDF core. This core is extremely strong and gives a blend of beauty and strength. But although veneered seats are quite common, we recommend you check out the following features:

Attention to detail

Attention to detail is what separates a good toilet seat from a bad toilet seat. That's why at Roper Rhodes we use our vast experience and keep a close eye on every aspect of design and manufacture.

Water resistant finish

All our wooden seats are coated in hardwearing polyurethane varnish for a long lasting, hygienic finish. Thermoset plastic seats are naturally waterproof.

SOFT-CLOSING HINGES

Soft-closing hinges are available with Zenith, Mercury, Juno, Elite, Curve, Infinity, Comet, Neutron, Origin, Jupiter and Traditional models of toilet seats. We have developed a soft-closing hydraulic hinge mechanism for controlled and quiet closure of the seat lid and ring.

This automatic closure mechanism is invisibly integrated into the hinge body (or in the case of Zenith, Mercury, Juno and Neutron, the seat body) so as not to interfere with the design of the seats, as well as ensuring the lid and ring can be closed gently and with minimum noise. A single fingertip touch is enough to trigger the mechanism. Soft-closing mechanisms are

particularly handy in households with children and have been tested to 100,000 cycles, which is equivalent to approximately 50 years of use.

EXTREMELY STRONG HINGES

Roper Rhodes has undertaken special metallurgical tests to ensure the strength of our seat hinges. All our standard hinges are made from solid brass, except for Infinity and Curve models, which feature a corrosion-resistant, stainless steel hinge mechanism.

TOP FIX HINGES

The special 'top fix' hinge on our Zenith, Mercury, Juno and Neutron seats allows them to be quickly and easily installed either from above the WC pan or from below in the conventional way.

QUICK RELEASE HINGES

Easy to operate quick release buttons on the Zenith, Mercury, Juno, Elite and Neutron seats are pushed allowing them to be lifted away, leaving clear access to clean hard to reach surfaces thoroughly.

'NO CORRODE' HINGES

All of our toilet seats feature corrosion-resistant hinges, with the exception of Malvern. Hinge corrosion – for so long the nemesis of toilet seats, has been banished forever. High quality chrome plated hinges (or stainless steel for standard Infinity, Curve and Comet models) feature stainless steel screws and our gold finish hinges are PVD (Physical Vapour Deposition) coated – a tarnish and scratch resistant titanium coating.

ROPER RHODES BRANDING

We are so proud of our solid wood toilet seats we have even added a stylish Roper Rhodes nameplate!

ZENITH

Zenith's simple wrap-around design incorporates a curve-sided cover for a subtle fully enclosed effect.

1. White

Soft-closing hinges. 8702WSC £43.06

2. Quick release and top fix hinges

Easy to operate quick release button is pushed allowing the seat to lift away, leaving clear access to clean hard to reach surfaces thoroughly.

The built-in anti-bacterial additive within the plastic helps maintain a bacteria free seat by impeding the spread of bacterial cultures – helping you when you least expect it.

- Quick release hinges for easy cleaning
- Top fix hinge for easy installation; conventional fixings also supplied
- Built-in anti-bacterial protection
- Weight 2.5 Kgs
- Lifetime guarantee against seat breakage and hinge corrosion
- Fits most toilet suites
- Highly durable thermoset plastic for strength and longevity
- UV protection to prevent discolouration
- Corrosion free hinges and fixings
- Extremely hardwearing impact resistant surfaces

MERCURY

Mercury's semi wrap-around design features a flat seat cover and a straight back edge for a flowing and streamlined look.

1. White

Soft-closing hinges. 8701WSC £43.06

2. Quick release and top fix hinges

Easy to operate quick release button is pushed allowing the seat to lift away, leaving clear access to clean hard to reach surfaces thoroughly.

The built-in anti-bacterial additive within the plastic helps maintain a bacteria free seat by impeding the spread of bacterial cultures – helping you when you least expect it.

- Quick release hinges for easy cleaning
- Top fix hinge for easy installation; conventional fixings also supplied
- Built-in anti-bacterial protection
- Weight 2.8 Kgs
- Lifetime guarantee against seat breakage and hinge corrosion
- Fits most toilet suites
- Highly durable thermoset plastic for strength and longevity
- UV protection to prevent discolouration
- Corrosion free hinges and fixings
- Extremely hardwearing impact resistant surfaces

JUNO

Juno's wrap-around seat cover has flat sides and a wider back edge, in keeping with contemporary pans.

1. White

Soft-closing hinges. 8703WSC £43.06

2. Quick release and top fix hinges

Easy to operate quick release button is pushed allowing the seat to lift away, leaving clear access to clean hard to reach surfaces thoroughly.

The built-in anti-bacterial additive within the plastic helps maintain a bacteria free seat by impeding the spread of bacterial cultures – helping you when you least expect it.

- Quick release hinges for easy cleaning
- Top fix hinge for easy installation; conventional fixings also supplied
- Built-in anti-bacterial protection
- Weight 2.8 Kgs
- Lifetime guarantee against seat breakage and hinge corrosion
- Fits most toilet suites
- Highly durable thermoset plastic for strength and longevity
- UV protection to prevent discolouration
- Corrosion free hinges and fixings
- Extremely hardwearing impact resistant surfaces

ELITE

Quick release thermoset plastic toilet seat with soft-closing hinges.

1. White

Soft-closing hinges. 8601WSC £48.67
Chrome plated hydraulic hinges for controlled and quiet closure of seat lid and ring.

2. Quick release hinges

Easy to operate quick release buttons are pushed allowing the seat to lift away, leaving clear access to clean hard to reach surfaces thoroughly.

The built-in anti-bacterial additive within the plastic helps maintain a bacteria free seat by impeding the spread of bacterial cultures – helping you when you least expect it.

- Quick release hinges for easy cleaning
- Built-in anti-bacterial protection
- Weight 3 Kgs
- Lifetime guarantee against seat breakage and hinge corrosion
- Fits most toilet suites
- Highly durable thermoset plastic for strength and longevity
- UV protection to prevent discolouration
- Corrosion free hinges and fixings
- Extremely hardwearing impact resistant surfaces

CURVE

Wrap around design, thermoset plastic toilet seat with conventional or soft-closing hinges.

1. White

Soft-closing hinges. 8402WSC £39.95
Chrome plated hydraulic hinges for controlled and quiet closure of seat lid and ring.

2. White

Conventional hinges. 8402WS £32.37
Extra strong, precision made, non-slip, non-loosening stainless steel fully adjustable hinges.

- Built-in anti-bacterial protection
- Weight 2.4 Kgs excluding hinges
- Lifetime guarantee against seat breakage and hinge corrosion
- Contemporary wrap-around lid design
- Highly durable thermoset plastic for strength and longevity
- UV protection to prevent discolouration
- Corrosion free hinges and fixings
- Extremely hardwearing impact resistant surfaces

INFINITY

Slim profile, thermoset plastic toilet seat with conventional or soft-closing hinges.

1. White

Soft-closing hinges. 8401WSC £39.95
Chrome plated hydraulic hinges for controlled and quiet closure of seat lid and ring.

2. White

Conventional hinges. 8401WS £32.37
Extra strong, precision made, non-slip, non-loosening stainless steel fully adjustable hinges.

- Built-in anti-bacterial protection
- Weight 2.4 Kgs excluding hinges
- Lifetime guarantee against seat breakage and hinge corrosion
- Contemporary low profile design
- Highly durable thermoset plastic for strength and longevity
- UV protection to prevent discolouration
- Corrosion free hinges and fixings
- Extremely hardwearing impact resistant surfaces

COMET

Compact design, thermoset plastic toilet seat with soft-closing hinges.

1. White

Soft-closing hinges. 8501WSC £39.95
 Chrome plated hydraulic hinges for controlled and quiet closure of seat lid and ring.

- Suitable for short projection pans, including the following: Lecico-Atlas, RAK-Gloria, Mandarin-Wesley, Ideal Standard-Studio, Qualitas-Camargue, Roca-Laura
- Built-in anti-bacterial protection
- Weight 2.4 Kgs excluding hinges
- Lifetime guarantee against seat breakage and hinge corrosion
- Contemporary low profile compact design
- Highly durable thermoset plastic for strength and longevity
- UV protection to prevent discolouration
- Corrosion free hinges and fixings
- Extremely hardwearing impact resistant surfaces

1

NEUTRON

Quick release thermoset top fix plastic toilet seat with soft-closing hinges.

1. White

Soft-closing hinges. 8901WSC £31.13
 Neatly concealed hydraulic hinges for controlled and quiet closure of seat lid and ring.

2. Quick release and top fix hinges

Easy to operate quick release buttons are pushed allowing the seat to lift away, leaving clear access to clean hard to reach surfaces thoroughly.

- Quick release hinges for easy cleaning
- Top fix hinge for easy installation; Conventional fixings also supplied
- Weight 1.8 Kgs
- Lifetime guarantee against seat breakage and hinge corrosion
- Fits most toilet suites
- Highly durable thermoset plastic for strength and longevity
- UV protection to prevent discolouration
- Corrosion free hinges and fixings
- Extremely hardwearing impact resistant surfaces

ORIGIN

Ultra low profile, solid wood seat with soft-closing hinges

1. **Solid walnut**
Soft-closing hinges. 8300AWSSC £92.60
 2. **Solid oak**
Soft-closing hinges. 8300NOSSC £92.60
- Ultra low profile design with unique modern "squared" edges
 - Two high quality matt finishes
 - Chrome plated soft-closing hydraulic hinges for controlled and quiet closure of seat lid and ring
 - Corrosion free hinges and screws
 - Solid wood with dowel reinforced seat ring for extra strength
 - Extremely hardwearing impact resistant surfaces

GREENWICH

Beautifully styled, solid wood toilet seat with bar hinge.

1. **Mahogany finish**
Chrome hinges. 8099M £71.13
 2. **Antique pine finish**
Chrome hinges. 8099A £71.13
 3. **Solid limed oak**
Chrome hinges. 8099LI £82.44
 4. **Solid natural oak**
Chrome hinges. 8099NO £80.02
 5. **Solid walnut**
Chrome hinges. 8099AW £90.83
 6. **White gloss finish (MDF construction)**
Chrome hinges. 8099W £71.13
 7. **Optional gold PVD hinges pack**
HPG2000 £19.64
- Highest quality toilet seat with contoured lid and substantial 25mm thick seat ring. Fits most toilet suites
 - Solid wood construction with dowel reinforced seat ring (except white gloss – MDF construction)
 - Precision made, non-slip, non-loosening bar hinge
 - Corrosion free hinges and screws
 - Non-slip, colour co-ordinated buffers
 - Extremely hardwearing impact resistant surfaces

If gold hinges are preferred, the optional gold hinge pack should be purchased in addition to the selected seat. The original chrome hinge can then be easily replaced.

TRADITIONAL

Traditionally sized, solid wood toilet seat with soft-closing hinges.

1. Mahogany finish

Soft-closing hinges. 8081MSC £61.17

2. Antique pine finish

Soft-closing hinges. 8081ASC £61.17

3. Solid limed oak

Soft-closing hinges. 8081LISC £71.45

4. Honey oak finish

Soft-closing hinges. 8081HOSC £69.17

5. Solid walnut

Soft-closing hinges. 8081AWSC £80.01

6. Solid natural oak

Soft-closing hinges. 8081NOSC £69.17

7. Solid beech

Soft-closing hinges. 8081BSC £80.01

8. Optional gold soft-closing PVD hinges pack

HPG1000 £24.90

9. Soft-closing hinge detail

- Chrome plated soft-closing hydraulic hinges for controlled and quiet closure of seat lid and ring
- Traditionally sized, ideal replacement toilet seat
- Solid wood construction with dowel reinforced seat ring for extra strength
- Precision made, non-slip, non-loosening hinges
- Corrosion free hinges and screws
- Non-slip, colour co-ordinated buffers
- Extremely hardwearing impact resistant surfaces

If gold hinges are preferred, the optional gold hinge pack should be purchased in addition to the selected seat. The original chrome hinge can then be easily replaced.

JUPITER

Solid wood toilet seat with soft-closing hinges.

1. Mahogany finish
Soft-closing hinges. 8070MSC £61.17
2. Antique pine finish
Soft-closing hinges. 8070ASC £61.17
3. Solid limed oak
Soft-closing hinges. 8070LISC £71.45
4. Solid natural oak
Soft-closing hinges. 8070NOSC £69.17
5. Optional gold soft-closing PVD hinges pack
HPG1000 £24.90
6. Soft-closing hinge detail

- Chrome plated soft-closing hydraulic hinges for controlled and quiet closure of seat lid and ring
- Developed to suit most suites including 6 litre flush models
- Solid wood with dowel reinforced seat ring for extra strength
- Precision made, non-slip, non-loosening hinges
- Corrosion free hinges and screws, and non-slip, colour co-ordinated buffers
- Extremely hardwearing impact resistant surfaces

If gold hinges are preferred, the optional gold hinge pack should be purchased in addition to the selected seat. The original chrome hinge can then be easily replaced.

AXIS

Durable MDF real wood veneered toilet seat with bar hinge.

1. Mahogany finish
Chrome hinges. 8065M £52.17
2. Antique pine finish
Chrome hinges. 8065A £52.17
3. Limed oak finish
Chrome hinges. 8065LI £58.61
4. Beech finish
Chrome hinges. 8065B £58.61
5. White finish
Chrome hinges. 8065WH £52.17
6. Optional gold PVD hinges pack
SP0081 £8.89

- Developed to suit most toilet suites including 6 litre flush models
- Lifetime guarantee against seat breakage and hinge corrosion
- Incredibly strong wood veneered (except white) MDF
- Superb matching between faces and edges to give the appearance of solid wood
- Extremely hardwearing impact resistant surfaces

If gold hinges are preferred, the optional gold hinge pack should be purchased in addition to the selected seat. The original chrome hinge can then be easily replaced.

MALVERN

Solid wood toilet seat.

1. Antique pine finish

Chrome hinges. MTS1AC £39.36

2. Mahogany finish

Chrome hinges. MTS1MC £39.36

- Solid wood construction with dowel reinforced seat ring for extra strength
- Extremely hardwearing impact resistant surfaces

ESSENCE

High gloss moulded MDF toilet seat.

1. White

Chrome hinges. 8400WH £24.08

- Developed to suit most toilet suites
- Lifetime guarantee against seat breakage and hinge corrosion
- Extremely durable painted high gloss white finish
- Fully adjustable hinges
- Colour co-ordinated buffers
